Clothing Sale

Due to some lines of discontinued stock and some over stock we have to clear some space in the apparel cupboards ready for next season. Be sure to grab some quality beach clothing at bargain prices. Surf Lifesaving clothing will be on sale at Christmas in July, stay tuned for further details.

WIN Two Village Movie Passes

A picture says a thousand words, as a club of many changing faces it is important to document our history not only in facts and figures, but in participation, events and memories. The 2006-2007 Annual Report is currently being written and to make it as interesting as possible your photos are sought. As in previous years there is a prize awarded at Christmas in July for the best photographic entry. (You can still enter even if you don't plan to be at Christmas in July) Last year the winners received \$20 and \$10 club vouchers, this year you could WIN a Village Cinema's Double Movie Pass just for sending in a photo!

Entry: Send a photo of you, your friends or family doing something related to ISLSC. Competition closes Wednesday 4th July 2007. All photos submitted will be returned ASAP. Please provide the names of the people in the photo and a short blurb about what they are doing. Submitted photos may be used in ISLSC publications including the newsletter, annual report and website. Do not forget to provide your full name, phone number and a return address.
