Presentation Night

This year the committee decided the club needed to change the venue and forum for the usual Annual AGM and Christmas in July. Instead we will hold the AGM at the Inverloch Bowling Club and then continue with the presentation night afterwards.

The club would like as many members to join with the patrolees to come and have a social evening and support the presentation of trophies to each recipient . Patrolling members have worked extremely hard and deserve a night to relax and be recognised for their outstanding efforts.

**The cost of the night will be \$15.00 Adults
 \$ 8.00 Children under 12**

**Champagne on arrival
Finger food
Nibbles on tables
Music**

**Alcohol may be purchased
(cheaper than bar prices)**

NO BYO permitted

RSVP a must by Friday 18th June 2008

INVERLOCH SURF LIFESAVING CLUB CLUBHOUSE BUILDING PROJECT

As you know, the Inverloch Surf Life Saving Club was successful in obtaining a planning permit to build clubrooms at the main surf beach on the corner of Surf Parade and Groke Street, Inverloch. Whilst retaining a strong level of support, without a permanent clubhouse, our long term membership base is at risk.

As a part of the community information campaign, we are organising an information session on the progress of our project, and we extend an invitation to yourself in order to support our organisation. We intend to announce a major sponsorship arrangement and hope to see as many of the regions key businesses, community representatives, members and interested persons at the session. Details are as follows:

Time and Date: 7.00 pm, Tuesday 22 July, 2008

Venue: Inlet Hotel, 3-5 the Esplanade, Inverloch

RSVP: To assist with catering, please call Philippe 56820425 by 16.7.08

Following a short presentation, light refreshments will be served and a number of the Club's representative will be available to discuss issues of interest.

I hope you can join us to learn more about the project and should you require any further information on this important community project, please call me on 5682 0425 / 0429 002 219 to discuss.

Yours faithfully
